7<sup>th</sup> February 2018

Dear Parents/Carers,

I have been in discussion with the Local Authority and the decision has been made to shut the school this afternoon and Thursday 8<sup>th</sup> February.

We unfortunately have a complete boiler breakdown and the process of mending it will take a day.

This of course would not be an issue in the summer, however in this cold snap we are experiencing, the building is incredibly cold and learning would not be effective.

School is expected to open as normal on Friday 9<sup>th</sup> February. All students have a non-uniform day as planned.

If however there is any change to this plan and the boiler cannot be fixed I will contact you via text and an update will go on the school website.

Apologies for any inconvenience this may cause you but I am sure you appreciate the closure of the school is a last resort.

With every good wish

Clare Cantle
