Dear Parent,

Would you want to be a school governor ?

A vacancy will soon arise for Parent Governors. Parents are obviously key to the success of the School and it is important that their views and opinions are included in the governance process. The duties involve one meeting per term plus serving on a committee such as Human Resources or Finance, but the major responsibility is to represent a parental perspective on school matters. The Local Authority provides high-quality training, advice and support, both for induction and as an on-going process.

Being a Parent Governor can be enjoyable and rewarding. If you have the enthusiasm to become more closely involved in the running of the School please complete the attached application form. All parents, including carers, of registered pupils at the school can apply, with the following exceptions:

- anyone who is an elected Councillor, or
- anyone who is employed at the school for more than 500 hours per year.

Parent Governors are elected by their fellow parents. An election will be arranged if the number of applications is more than the number of vacancies.

Yours sincerely

Dominic Savage
Chair of Governors
